This four-day event will feature new sailboats and cruising powerboats, gear, accessories, clothing, seminars, on-the-water workshops, and special events designed for the boating enthusiast.

“Whether you’re a nautical novice or experienced boater, if you love being on the water, the Pacific Sail & Power Boat Show has something for you,” says Katie Kelly, Sail America Association Manager. “Richmond has warmly welcomed the show back and made all who host it feel like this is ‘home.’ By the time of the show, the much-awaited improvements and enhancements to the ferry terminal and its surroundings at the Craneway will be finished — a bonus for this year’s show and those attending.”

The show draws people from around the country who come to gain knowledge, learn new skills, talk with respected boating experts, and attend the show’s renowned seminar series on topics from boating basics to advanced navigation.
